Private Lessons

Group Classes

Board and Train:

- ◇ 10 day standard obedience program
- ◇ 5 Day Electronic Collar program
- ◇ 10 Day Off Leash program
- ◇ Behavior Modification programs
- ◇ Special Skills Training

BOARD AND TRAIN

The Board and Train Program is the fastest and most effective training program we have. Our standard training program is two week, on-leash program that will teach your dog to heel at your side, automatically sit and stay when you stop, down, come, commands in motion, commands at a distance, and place. We offer a three week program for dogs with behavioral issues such as dog/cat/people aggression or severe anxiety. We also offer upgrades such as off-leash training and special skills that individuals may want their dogs to learn.

Your dog will stay in residence at Bed 'n' Biscuit Ranch for the length of the program and you will receive two or more lessons on how to maintain the training that your dog has received. You will need to provide proof of vaccinations and food for your dogs stay. We will provide all beds, bedding, bowls, and chew toys for their stay unless your trainer asks you to provide something specific for your dog's training. Your dog will leave knowing the agreed upon commands, will have a properly sized training collar, and a standard leather leash for you to continue their training at home. Your dog will also receive a complimentary bath, brush, nail trim, and ear cleaning at the completion of their stay.

Once your dog has completed a basic obedience board and train program, they can continue with our off-leash training program and other specialty programs. Your dog will qualify for discounted private lessons for the life of your dog and be eligible for tune-up lessons while they board or stay for daycare. We also offer free group classes for our graduates to help owners maintain and improve their handling skills and allow graduates to be in a controlled but highly distracting environment to validate their obedience skills.

GROUP AND PRIVATE LESSONS

Bed 'n' Biscuit Ranch offers puppy, and Canine Good Citizen group classes for dogs that are well adjusted and aren't showing behavioral issues. Group classes meet for one hour each week for six weeks.

The Puppy Class is for puppies between the age of 8-16 weeks and focuses on teaching good owner skills, dog handling, and basic obedience commands to get your puppy started off on the right foot.

Our trainers are certified through the American Kennel Club to teach and certify your dog as a Canine Good Citizen (CGC). We hold our classes in local pet-friendly stores to ensure our graduates really can be polite in public. Contact our trainers for more information. The CGC class is offered on an as-needed basis. If you have completed a program somewhere you else you may be evaluated for inclusion in the class.
